LIGHTS..... CAMERA.... ACTION! We are proud to debut to you, our NEW Broadway Bound program! This program is geared toward children ages 7-12yrs old who are interested in acting, singing and dancing!

During the 2017-2018 season, children can register for 1, 2 or all-3 Broadway Bound sessions! Each session will focus on a different Broadway show, where dancers will learn how to perform in an ensemble. There are a total of 4 weeks in one session. Each week meets for one hour from 10:30-11:30am on the dates listed above.

This is the perfect program for children who would like to dip their toes in the world of musical theatre performance. Our program director, Laura Gulli, is an American Musical and Dramatic Academy alumni and proud Shrewsbury native. With over 20 years of performance experience in singing, dancing and acting, she continues to be heavily involved in the community theater world. Some of her favorite credits include *The Addams Family*, *The Wedding Singer*, *Breaking Up Is Hard to Do*, *The Marvelous Wonderettes* and *I Love You, You're Perfect, Now Change*. She recently debuted as a featured role in Stephen King's television series *Castle Rock*. Laura is presently working on *James and the Giant Peach* with Barre Players Theatre and will be completing the year in *The Winter Wonderettes* with Stageloft Repertory Theatre. She is thrilled to share her passion and love for musical theater with her students, in preparedness for being *Broadway Bound...!*
