

COMPANY MEMBERS

**Company members will be placed according to the director's discretion. Company auditions are mandatory for all dancers interested in training with the company, placement is non negotiable.

**A dancer may be placed in multiple levels to cater to that dancer's strengths.

All company members must be enrolled in required weekly technique classes in addition to their choreography classes. Each individual dancer's schedule will vary from one dancer to another. Please note level placement is chosen based on the dancer's skill level, and in best interest of growth for progress.

**Extra rehearsals or choreography on weekends and/or school vacations may be applicable.
